“Hail Mary, full of grace.”
Ave Maria, gratia plena.

Dear Brothers and Sisters in Christ,

As we close the month of January, one which is traditionally entrusted to the contemplation and intercession of the Blessed Virgin Mary as the Mother of God and Mother of the Church, I offer the ancient prayer of St. Ephrem the Syrian as a suggestion for our own prayers and guide for the intellect as we consider the wisdom and humility of the Mother of God which made her a saint through her life as well as the greatest of saints who intercedes for the Church through the ages and for each of us at every moment we call upon her help:

"But, O Virgin lady, immaculate Mother of God, my lady most glorious, most gracious, higher than heaven, much purer than the sun's splendor, rays or light . . . budding staff of Aaron, you appeared as a true staff, and the flower is your Son our Christ, my God and my Maker. You bore God and the word according to the flesh, preserving your virginity before childbirth, a virgin after childbirth, and we have been reconciled with Christ God your Son." (*Ephrem, Prayer to the Most Holy Mother of God.*)

Let us remember to pray well in the coming weeks as we move into the heart of winter so that warmth of God's grace and protection may guide us on paths of holiness in our daily lives.

May God bless you,

Summer Program To Fight Hunger and Climate Change

HANDS-ON PROGRAM FOR HIGH SCHOOL STUDENTS MOTIVATED BY ENVIRONMENT, FOOD AND JUSTICE
CONCERNS

At **ReWildLI** we're excited about our 2024 programs for people and the environment. **Now offering 2024 grant programs for pollinator gardens and student summer internships** on the East End. The Community Garden grants supply plants, irrigation and consultation for starting a pollinator garden. The summer internships enable high school age students to earn a small stipend and community service credit by volunteering at local farms, nature centers and school gardens to learn more about nature, about growing food and composting food scraps. Their volunteer work helps Share the Harvest farm donate thousands of pounds of organic produce to local food pantries across the South Fork.

We also welcome adult volunteers to join us in summer and Fall 2024, to help with the summer program and spend time in the outdoors with us!

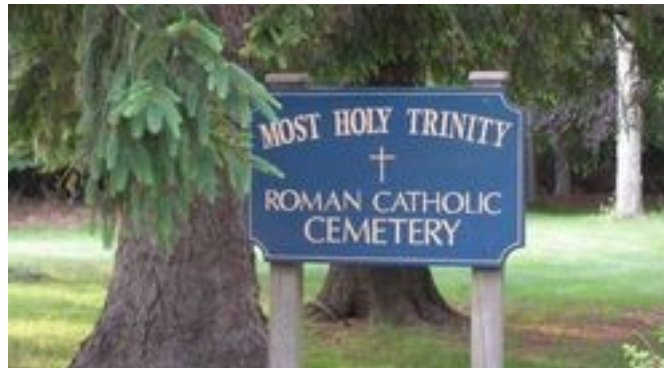

Thanks, Nancy Erber for the South Fork chapter **ReWild Long Island**
