Second Collection Weekend 2025

On the weekend of May 3-4, all parishes in the Diocese of Rockville Centre will hold a second collection in support of Catholic schools. Your generosity helps sustain the vital mission of Catholic education on Long Island. Thank you for supporting the **Catholic School Difference** — where faith, academic excellence, and values come together to shape tomorrow's leaders. For parishes with schools, the funds support their own school; for parishes without schools, the funds provide scholarships through the Tomorrow's Hope Foundation.

Segundo Fin de Semana de Colecta 2025

El fin de semana del 3 y 4 de mayo, todas las parroquias de la Diócesis de Rockville Centre tendrán una segunda colecta en apoyo a las escuelas católicas. Tu generosidad ayuda a mantener viva la misión fundamental de la educación católica en Long Island. Gracias por apoyar **la Diferencia de las Escuelas Católicas** — donde la fé, la excelencia académica y los valores se unen para formar a los líderes del futuro. En las parroquias que cuentan con escuelas, los fondos recaudados se destinan a su propia escuela; en las parroquias sin escuelas, los fondos se utilizan para otorgar becas a través de la Fundación Esperanza del Mañana (Tomorrow's Hope Foundation).

About

Suffolk County Police will discuss how to respond appropriately to concerning statements about schools posted on social media, along with the potential consequences of making such posts. The session will also address what steps to take if you or your child sees or receives these types of comments online. An overview of the Suffolk County Police Department's investigation procedures will be provided.

Planning and practice keep schools safe. Schools are safe. It is important not to live in fear. We will talk about the difference between lockout and lockdown. It is easy to get the words mixed up especially in the height of a situation. The evening will end with information about the Suffolk County Police response and our roles in schools.

**No registration required
