DIocese OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

January 28, 2024
Catholic Schools Week

Dear Brothers and Sisters in Christ,

Each year, the Church throughout the United States takes the opportunity to celebrate the gift of Catholic Education during Catholic Schools Week which begins today and concludes on February 3, 2024. As Bishop of the Diocese of Rockville Centre, I want to express how incredibly proud I am of our Catholic Schools in the ways that they evangelize our young Catholics here on Long Island.

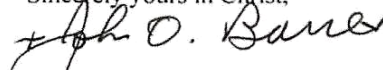

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis says, "Catholic schools, which always strive to join their work of education with the explicit proclamation of the Gospel, are a most valuable resource for the evangelization of culture" (§134). This mission-driven approach to Catholic Education is especially fitting as the Church in the United States participates in a national Eucharistic Revival, because the mission of the national Eucharistic Revival is embedded into the mission of Catholic Education. Assisting students to know and love Jesus through the transformative power of the Mass, and equipping them to evangelize their families and communities, is an extraordinarily beautiful and achievable goal that our Catholic Schools strive to achieve each day.

As schools throughout the Diocese celebrate Catholic Schools Week 2024 with Masses, open houses, and other various activities, we give thanks to the Lord for those who make these events and Catholic Education as a whole possible. To the dedicated and faithful administrators, teachers, and staff members: thank you for working tirelessly every day to advance the Church's evangelizing mission by your love for Christ and by helping his children to know the presence and power of his love in their lives. To the many parents and guardians who generously offer so much time to assist your pastors and principals in advancing the mission of Catholic Education in your parish and regional schools: your love for Christ and his Church is inspiring, and I am so grateful for your Good Samaritan charity, dedication, and perseverance. In addition, I want to express my gratitude to the Morning Star Initiative and the Department of Education staff who collaborate and work together to provide every student in our Catholic Schools with an education that is robustly Catholic, academically excellent, safe and supportive, and sustainable.

St. John Bosco, a patron saint of school children, understood the essential mission of Catholic Education in the world. He once said, "If we want to have a good society, we must concentrate all our forces on the Christian education of the young." Because of the fantastic work being accomplished in our Catholic Schools, I think we can have great hope in the future of society here on Long Island: a future that is filled with young Catholics who are on fire for Jesus Christ and his Church!

Through the intercession of Saint Elizabeth Ann Seton, the patron saint of Catholic Education, Saint John Bosco, and Mary, Star of Evangelization, may the Lord continue to bless the Morning Star Initiative, the Department of Education, our Catholic Schools, and all those involved in Catholic Education on Long Island, especially our students!

Sincerely yours in Christ,

Most Reverend John O. Barres
Bishop of Rockville Centre

Our Students are Thriving!

Come and see why other parents in the community chose Catholic Education for their families!

Faith Formation

Class on Sunday, January 28th for the children in the **B** class.

Class on February 4th for the children in the **A** class.

The calendar can be found on the parish web site at mostholytrinityeh.com

Volunteers keep the program running and they also make a difference to our young people that are in our program. Please think of becoming a catechist for the upcoming year starting in September 2024 and running to the beginning of May 2025.

We could also use young adults looking to do community service for school they can make a big difference in our program.

Summer Program To Fight Hunger and Climate Change

HANDS-ON PROGRAM FOR HIGH SCHOOL STUDENTS MOTIVATED BY ENVIRONMENT, FOOD AND JUSTICE
CONCERNS

At **ReWildLI** we're excited about our 2024 programs for people and the environment. **Now offering 2024 grant programs for pollinator gardens and student summer internships** on the East End. The Community Garden grants supply plants, irrigation and consultation for starting a pollinator garden. The summer internships enable high school age students to earn a small stipend and community service credit by volunteering at local farms, nature centers and school gardens to learn more about nature, about growing food and composting food scraps. Their volunteer work helps Share the Harvest farm donate thousands of pounds of organic produce to local food pantries across the South Fork.

We also welcome adult volunteers to join us in summer and Fall 2024, to help with the summer program and spend time in the outdoors with us!

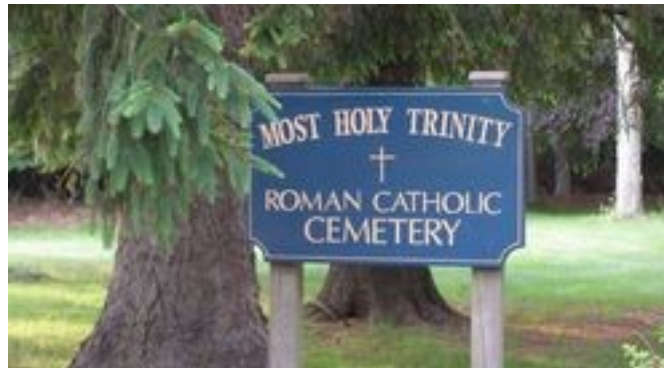

Thanks, Nancy Erber for the South Fork chapter **ReWild Long Island**
