Dear Parents,

Faith formation classes will resume on Sunday, September 12th. However, given the persistence of the Covid-19 pandemic, the protocols mandated by New York State, and the limitations of the parish infrastructure, the entire program will continue to be offered remotely in an online format until further notice. Tuition will remain at the remote learning rates to cover the cost of the textbooks and online programming.

Tuition rates are as follows: \$50.00 for the first child and

\$25.00 for each additional child.

Sacramental fees for First Communion and Confirmation will remain at \$75.00.

Once you have registered your child/children and paid the tuition fee you will receive their textbook/ textbooks and instructions for logging into the online lessons. It is expected that students will make weekly progress in the lessons. Student progress will be monitored by Faith Formation staff.

Additionally, students will be required to log into one 30 minute Zoom meeting every month. The Office of Faith Formation is open to assist you and answer any questions that may arise.

Please feel free to contact us either by phone, email, or in person.

Yours in Christ,

Deacon Larry Faulkenberry
Director of Faith Formation
