Attn: Rev. Ryan Creamer

Dear Reverend Creamer,

The East Hampton Food Pantry would like to sincerely thank you and your congregation for your generous donations of assorted food items. Your donations are truly appreciated and are a huge help in providing food to the people in our community who are in need.

So many of our neighbors are struggling to meet basic needs, and facing hunger on a daily basis. Children and elderly are especially vulnerable. We fed over 23,000 individuals in the past year, and with the support from individuals like you, together we are addressing the hunger crisis in our communities.

We operate solely on donations and have had to step up our fundraising efforts just to meet our weekly goals. Donations from our community not only help to feed the hungry, but also show a generosity of spirit and kindness towards those most in need. Our mission is to feed as many people as possible and make sure that no one goes hungry in the Town of East Hampton.

Thank you again for thinking of us and contributing to our efforts. Please feel free to contact me if you have any questions or would like further information about our pantry. Our FEIN is 27-0109312 and we are a non-profit 501 (c)(3).

Sincerely,

Valerie A. Bando-Meinken

## LIFE CENTER OF LONG ISLAND

### BABY BOTTLE CAMPAIGN

This weekend, our parish is starting a Baby Bottle Campaign that will help the Life Center of Long Island to provide Mom's and Dad's with much needed basic essentials for their newborn babies. The Life Center is a non-profit 501(c)3 serving Long Island for over 36 years and have assisted over 68,000 women and helped save over 2,400 babies.

They have now 4 pregnancy care centers known as Women First Pregnancy Options located in Hempstead, Massapequa, Deer Park and Smithtown, strategically located 1 block away or across the street from Planned Parenthoods.

Their primary focus is to educate those facing an unplanned pregnancy about the numerous resources available so they can make truly informed and empowered decisions regarding their unplanned pregnancy with hopes they will choose life for their baby. All services of the Life Center are free!

They provide free pregnancy test kits; free sonogram referrals in collaboration with the Gianna Center of Long Island and Catholic Health hospitals; maternity housing referrals for those who meet certain criteria; Parenting and Life Skills workshops, Support and Healing After Abortion, a Men's Advocacy program and much more.

Their support continues after the baby is born: they provide essential material aid such as diapers, wipes, baby clothes, cribs, car seats, strollers etc. until the baby is two years old.

Throughout COVID these past two years, the Life Center remained open and saved 72 babies lives. They distributed the equivalent of over \$800,000 of baby items to over 2300 Moms and Dads from our local communities. 7 women right here within our parish community went to the Life Center for help.

The Life Center is supported entirely by charitable gifts from people like you who call Long Island home. As you leave church today you are asked to take home an empty baby bottle, fill it with your spare change and return it to church on the weekend of June 17th and 18th. Checks can be made out to the Life Center of Long Island.

You'll find a prayer attached to the bottle and we ask you to say that prayer often, even daily for God's blessing on the work of the Life Center and the precious men, women and children they serve.

Thank You!
