Message from the Pastor -

As part of our annual disclosure of last year's financial operations, please find the Annual Financial Report below. We have reduced Building and Maintenance costs substantially since last year and continue to do so while keeping an eye on old property. Investments struggled toward the end of last year though steps recommended by the Parish Finance Committee and their continued interest in active care of parish funds points to a year of optimistic work at reducing the deficit budget of the parish.

May God bless you,

Fr. Ryan
